Accommodation at Westering Rotary House

Welcome to Westering Rotary House, where we understand that choosing the right aged care accommodation is one of life's most significant decisions. Our sophisticated Premium Care Suites are designed to provide both comfort and peace of mind as you embrace this new chapter.

If you receive Government assistance through a pension, you will be required to complete the relevant forms to determine your financial contribution to residential aged care. For self-funded retirees, it is likely that you will be assessed to pay for your accommodation, as well as applicable fees such as the basic daily fee, a means-tested care fee, and any additional or extra service fees.

Different payment options for accommodation include paying in full via a Refundable Accommodation Deposit (RAD), making ongoing Daily Accommodation Payments (DAP), or a combination of both, as seen in the table below.

Westering Rotary House accommodation includes an Extra Services package, which incurs a daily fee of \$27.50. This package provides a higher standard of hotel-style services beyond the standard level of care. Services include enhanced menu options, beauty therapy, Wi-Fi access, and a premium lifestyle program.

We're here to support you as you make this important decision and begin your journey with Westering Rotary House.
