Simardeep

Enrolled Nurse
Golden Grove Residential Care Home

2025 Third Quarter Award Recipient

As a hardworking Enrolled Nurse who consistently puts residents' needs first, Simardeep is recognised for her dedication to her role in the *There to Care* Awards.

Growing up in India, Simardeep held onto a childhood dream to be a nurse, however ended up studying accounting.

When she moved to Australia in 2019, she was able to chase her ambition and is now proudly living her dream career, here at Helping Hand.

"I am very connected to my family back home in India. When I was growing up my grandparents lived with us, so I saw firsthand my mother caring for them and that's what I wanted to do when I grew up," she says.

In her nomination, Simardeep is described as being a valuable part of the team who works well with others and remains calm under pressure while always supporting her colleagues.

"Helping Hand has given me a lot of opportunities; the care staff know me well, and we work well as a team," she says.

"I am passionate about caring and I try as much as I can to make the residents happy. If they are happy to see me, then I know I've done something good for them."

On her award win, Simardeep says she was left speechless.

"I didn't believe it was for me, and then my manager sent an email to everyone about the award win. I was so surprised," she says.

Thanks, Simardeep, for being there to care.

There To Care Awards focus on celebrating our values of excellence, respect, compassion and community, helping us to celebrate the amazing work our people do every day.
