Carinya, Clare

Cosy and comfortable, Carinya has been part of the Clare Valley community for more than half a century.

One of the things that makes Carinya so special is its proximity to Clare's main street which is bustling with shops, cafes, the local public library and other places of heritage interest.

This fully accredited facility offers accommodation for up to fifty people and the majority of rooms overlook the gardens, which feature fruit trees, seasonal vegetables and herb gardens, all inspired by the local farming community. All rooms are comfortably furnished with: electric beds, built-in wardrobes, lockable storage, fabric curtains and

carpet. In addition, each room is fitted out with wide doors, a nurse call point and an individually controlled air conditioning system.

Everyone is encouraged to personalise their rooms and make them their own, with items that are special to them. If you choose, you can also arrange to have a telephone, personal computer or bar fridge installed in your room.

Carinya is supported by an active auxiliary group and a dedicated team of volunteers who arrange activities such as craft, bingo, bowls, exercise therapy, men's group activities and concerts and weekly bus excursions.
