Lightsview

Lightsview is one of our newer homes. Its award-winning design makes the most of natural light and a spectacular city skyline view.

This fully accredited facility offers accommodation for up to 110 people, and the majority of rooms overlook the gardens that have been created to capture the fragrance, texture and colours of the South Australian landscape.

All rooms are comfortably furnished with electric beds, built-in wardrobes, lockable storage, fabric curtains and carpet. In addition, each room is fitted out with wide doors, a nurse call point and an individually controlled air conditioning system.

Everyone is encouraged to personalise their rooms with furniture or belongings that are special to them. If you choose, you can also have a personal computer or bar fridge installed in your room.

Lightsview has several Extra Services rooms which are appointed with superior décor, fittings and floor coverings, as well as access to newspapers, a daily drink at lunch and dinner and a starter with lunch daily. Residents in Extra Services rooms also access all Elevate Club services at no additional cost.

Care is provided by our team 24 hours a day who not only focus on physical health but also on social and emotional wellbeing. We focus on choice, independence, dignity and quality of life.

Residential Accommodation Prices

The amount you pay towards accommodation depends on your eligibility for government assistance. Services Australia or DVA will determine whether a contribution towards, or full payment for, your room is applicable, which is dependent on your assessed income and assets.

There are options available as to how you pay for accommodation. Below is an example of paying in full in the form of a Refundable Accommodation Deposit (RAD) or as a Daily Accommodation Payment (DAP), and the option of a combination of a RAD and DAP. Other combination payment options can be negotiated, please speak to our Admissions team to discuss this further.

Australia's aged care system includes other possible fees that may also be applied, such as the basic daily fee, a means tested care fee, and an additional services fee (see next page). If you would like to understand if these fees apply to you, please ring us on 1300 653 600 and ask to speak to the Admissions team.

Alternatively please visit www.helpinghand.org.au for more information. We understand that entering into aged care can be a sensitive time and we are more than happy to support and guide you through the entry requirements for our homes.
