Residential Accommodation Prices

The amount you pay towards accommodation depends on your eligibility for government assistance. Services Australia or DVA will determine whether a contribution towards, or full payment for, your room is applicable, which is dependent on your assessed income and assets.

There are options available as to how you pay for accommodation. Below is an example of paying in full in the form of a Refundable Accommodation Deposit (RAD) or as a Daily Accommodation Payment (DAP), and the option of a combination of a RAD and DAP. Other combination payment options can be negotiated, please speak to our Admissions team to discuss this further.

Australia's aged care system includes other possible fees that may also be applied, such as the basic daily fee, a means tested care fee, and an additional services fee (see next page). If you would like to understand if these fees apply to you, please ring us on 1300 653 600 and ask to speak to the Admissions team.

Alternatively please visit www.helpinghand.org.au for more information. We understand that entering into aged care can be a sensitive time and we are more than happy to support and guide you through the entry requirements for our homes.
