Belalie Lodge, Jamestown

Named after a local native wattle tree, Belalie Lodge has been part of the local community since 1978 and became part of the Helping Hand family in 2004.

A recent multi-million dollar refurbishment has enhanced the communal areas and facilities for residents and visitors. Strong relationships and connections with local community groups; a dedicated Auxiliary and a team of volunteers ensure the Belalie Lodge legacy of care and community engagement continues to thrive.

This fully accredited facility offers accommodation for up to forty people and the majority of rooms overlook the gardens.

All rooms are comfortably furnished with electric beds, built-in wardrobes, lockable storage, fabric curtains and carpet. In addition, each room is fitted out with wide doors, a nurse call point and an individually controlled air conditioning system.

Everyone is encouraged to personalise their rooms with furniture or belongings that are special to them. If you choose, you can also have a telephone, personal computer or bar fridge installed in your room.

Residents enjoy a diverse range of lifestyle programs and activities including music concerts, slide nights, ladies craft afternoons, bingo and movie days. A Men's Shed and an interactive in-house museum is also on site.
