## Accommodation at Golden Grove

The amount you contribute towards accommodation depends on your eligibility for government assistance. Services Australia or the Department of Veterans' Affairs (DVA) will determine the applicable fees based on an assessment of your income and assets.

In addition to accommodation costs, other contributions may apply, such as the basic daily fee, means tested care fee, hotelling contribution, or non-clinical care contribution. To confirm your aged care fees, a means assessment is required.

For further information, please contact us on **1300 653 600** and ask for the Admissions Team, or visit [www.helpinghand.org.au](http://www.helpinghand.org.au). We understand that entering aged care can be a sensitive time, and our team is here to provide guidance and support throughout the process.

If you are assessed as being required to pay for accommodation, there are different payment options. Below is an example of paying in full in the form of a Refundable Accommodation Deposit (RAD) or a Daily Accommodation Payment (DAP), and the option of a combination RAD and DAP. Other combination options can be negotiated.
