

ROTARY HOUSE REFURBISHMENT

Residents and Families Update

Issue 48 | Update – 19 June 2026

Dear residents, families and representatives,

Winter has certainly arrived, we hope you are all staying warm and dry!

Thank you for your patience and understanding during the balcony works over the past fortnight. While the major noisy works have now been completed, the balcony project is still ongoing. As part of the remaining works, a small section of the courtyard will be temporarily cordoned off from Monday 22 June to Thursday 25 June to ensure everyone's safety.

We would like to take this opportunity to remind everyone that the common spaces on Levels Two and Three are open for all residents to enjoy. Whether it's a game in the games room, a movie in the theatrette, a quiet moment with a book in the reading room or coffee and a snack in the eatery – everyone is welcome.
