

ROTARY HOUSE REFURBISHMENT

Residents and Families Update

Issue 51 | Update – 31 July 2026

Dear residents, families and representatives,

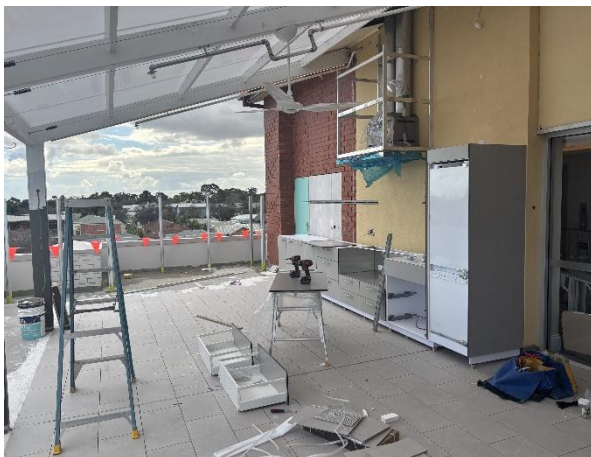

Works on the Level Three alfresco area continue to make steady progress, with floor tiling, joinery installation, new lighting, and ceiling fans all currently underway.

Unfortunately, ongoing wet weather has continued to cause delays, particularly the floor tiling and waterproofing works.

Despite these delays we anticipate that the alfresco area will be completed and ready for use during week commencing Monday 10 August. Once the alfresco area has been completed we will also be able to reopen the lift next to Reception.

What happened this fortnight?

- Residents moved into their new suites on Level Three and we opened the new dining room and visitor lounge
- Lighting and ceiling fans were installed on the alfresco area
- Floor tiling to the alfresco area continued

Alfresco works are continuing

Visitor Lounge

What's happening next fortnight?

- Alfresco works will continue with painting, blind installation, and completion of balustrades

Who can I contact for more information?

If you have any questions or concerns, please email RHrefurbishment@helpinghand.org.au, or speak to reception.
