## *Residents and Families Update*

### **Issue 52 | Update – 14 August 2026**

Dear residents, families and representatives,

We are delighted to share that the refurbishment works on Levels Two and Three are now officially complete!

After almost two years, we're excited to see the transformation come to life. The new Level Three alfresco area is now open and ready to enjoy, and the lift next to Reception has also reopened.

This is a wonderful milestone for our North Adelaide community, and we look forward to celebrating the completion of these spaces with you. You should have recently received an invitation to our special event celebrating the completion of Levels Two and Three on Thursday 3 September. We hope you'll be able to join us as we mark this achievement together. As a reminder, a copy of the invitation is included at the end of this update.

We also invite you to take a look at the before and after photos of Levels Two and Three below. They really showcase just how much these spaces have been transformed and the fantastic result of all the work that has taken place.

A heartfelt thank you to all our residents, families and representatives for your patience, understanding and support throughout the refurbishment. We appreciate that living alongside building works can be disruptive, and we are incredibly grateful for your cooperation along the way.
